

# *The 54<sup>th</sup> Annual*

It was during the 1955 season when committee decided to hold a Warrandyte Football Club Ball. The 'Belle of the Ball' (the girl raising the most money for the club in her quest) would receive a canteen of cutlery worth 13 pounds and a sash. The winner would also represent Warrandyte in the league's 'Belle of the Ball' contest. Some 54 years later the Annual Ball continues to flourish and is the biggest night on the social calendar. 2008 promises to be one of the most memorable...
